EMBEDDING

Embedding effective learners

Embedding Explicit Practices - Consistently applying explicit teaching practices to develop effective learners, ensuring clear modelling, guided practice and independent application across R-12 learning environments

OUR GOAL
Enhancing *effective learners*, as we progress towards our goal of *excellence* in Reading and Writing

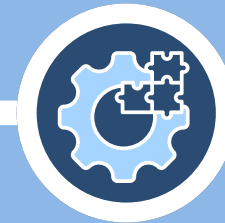

EXPLORING

Exploring Learner Agency through Curriculum and Dispositions

SA Curriculum

Adapting the South Australian Curriculum with fidelity, aligning teaching and assessment to learner dispositions to build student agency and responsibility for learning.

Enhancing high-impact teaching and conditions for learning

Learning intentions and success criteria – Enhancing high-impact teaching practices and consistent learning conditions, through clear learning intentions and success criteria, to improve student focus, understanding and achievement

ENHANCING

Reflective practice – gradual release of responsibility from modelled instruction to independent application
